

# DPF 303 Banner

## Digital Print Super Smooth, Scrim PVC Banner

DPF 303 is a 13-oz white, super smooth, scrim PVC banner with blackout features. This calendered vinyl provides superior print resolution and image quality on both sides of the banner. The scrim is undetectable, whether it is printed or unprinted. This banner is excellent for graphics that will be viewed at a close distance. DPF 303 is rated for outdoor durability up to 1 year (unprinted). Printed durability is dependent on the ink system used.

## APPLICATIONS & FEATURES

- Digital printing with a wide variety of direct print systems.
- Merchandising and display graphics.
- Shorter-term banner applications.
