

# ColorPrint™ Extra

ColorPrint™ Extra is a white print and cut material that is perfect for full-color printing on lightly siliconed nylon & is durable enough for awnings, canvas, tents and other difficult to personalize fabrics. If you're looking for a print and cut material that works on shoes, belts, canvas bags and more, ColorPrint™ Extra is the material you're looking for! Anyone wishing to print canvas bags will love the rich colors that ColorPrint™ Extra provides.
