

StripFlock®

A great alternative to embroidery, StripFlock® gives logos a raised, textured, suede-like feel. Excellent for retro designs or anytime you want a rich look. Stripflock® can be used as a base layer and covered with other materials, giving a very unique, high-end look to logos and designs. In addition, StripFlock® is very opaque and has deep, rich colors that are great for animal prints and for layering on top of other materials.
