

GON-₂0 PREP CLEANER

The Sign Man's Cleaner!

OVERSTOCK SALE!

Water Based Vinyl, Prepaint Prep and Surface Cleaner

XIM's GON-₂0 Water Based PrePaint Prep Cleaner is formulated to remove grease, oil, wax, polish, silicones and other contaminants before painting & **vinyl/ digital application**. It can be used as an alternative to strong solvent based pre paint cleaners. Being water based, it is low in odor and non flammable, therefore safe to use. GON-₂0 is in compliance with Federal and State VOC regulations.
