

HDU Duracap to Plastic Post Cap Combination Instructions

Step 1.

Choose a Primed HDU Duracap.

Ball

Acorn

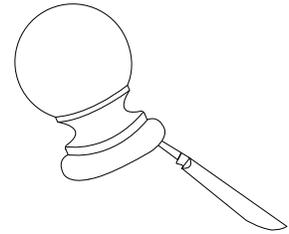

Step 2.

Choose a Plastic Post Cap.

See Page 2 for Available Post Caps!

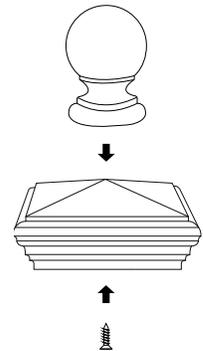

Step 3.

Carve out the bottom of the HDU Duracap to match the peak on the Plastic Post Cap.

Step 4.

Drill and Screw in Non-Corrosive Screw from bottom of Plastic Post Cap into the HDU Duracap.

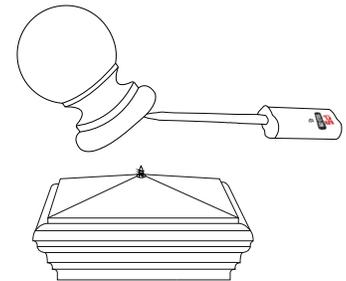

Step 5.

Glue caps together with Weld-On*

*We recommend the use of Weld-On 45 when attaching Primed HDU Duracap to Vinyl, Plastic and Aluminum Caps to Aluminum Post.

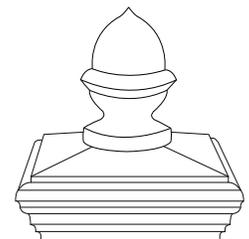

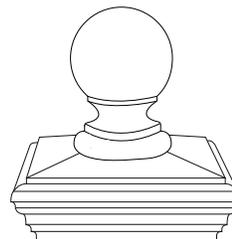

**May also use Weld-On 66 when attaching Vinyl to Vinyl or HDU Duracups to Vinyl.

Step 6.

Enjoy your New and Unique Post Caps!
